

# 2022 Spring Recital Information

Name	Class(es)
------	-----------

## Dress Rehearsal: *Friday May 27th Panida Theater Sandpoint*

This is a mandatory rehearsal and vital to your child's success on stage. See the attached schedule for your class times. The arrival times have been staggered, however the arrival of the next group does not necessarily mean that the group beforehand will be finished. Be prepared that you may have to wait.

Dancers should arrive in full costume, correct color tights and shoes and performance makeup. An old shirt or a robe acts well as a cover up. **Bring any head pieces that came with your costume and we will decide if they will be used. Sometimes with quick changes they can be troublesome!**

1 parent may come to the dress rehearsal, but no siblings please.

## Recital Date: *Saturday May 28th Panida Theater Sandpoint*

I hope you appreciate we are unable to look after 175 dancers in the inbetween show time, thank you for your cooperation.

Costume: Most of our dancers have already tried their costume on in class.

Please have your child try the costume on when they get home and if there are any problems let us know immediately by email. Please hang the costume out on a hanger. A steamy bathroom can help to get any wrinkles out. Alternatively you can take the costume to be professionally steamed at the dry cleaner. Do not iron or wash or tumble dry the costume. We are unable to get any replacements

**Hair and Makeup:** Hair in a ballet bun with a transparent hair net, no bangs, no glitter spray  
If your child is in hip hop only they can may have a bun, high ponytail or double braids, no bangs  
We will give further directions about hair pieces at the dress rehearsal, if a hairpiece is used on one side it will be the right.

Girls light stage makeup neutral eyeshadow, blush, natural lipstick/gloss, mascara and eyeliner optional, boys can wear some light blush and have neatly styled hair.

Please do not wear any jewelry, earrings, necklaces etc. Nail polish should be removed or be nude in color.

**What to Bring:** Space is very limited. Each dancer should bring a small bag only to the Saturday performances so that they can store their outside shoes. These will be stored in boxes named by class and collected after the show. The dancers will be sitting in the audience and will not need to have anything with them. Those who are dancing in multiple dances will be allocated to the dressing room as needed. They should arrive in their first costume and bring other costumes with them.

Do not bring a water bottle unless specifically told to, we will have a water dispenser and disposable cups for those needing fluids. Excess water bottles get lost during these events!

## **Dress Rehearsal Schedule: Friday May 27th**

(Please enter through the Panida side door (opposite Zero Point))

### **\*\*\*ONE PARENT PER STUDENT!**

\*\*\*This is an active rehearsal, staff and students must not have any extra distractions while preparing for the big day. **Do not** take advantage of this and bring friends or family members to observe. Please make child care plans for siblings. This will be strictly enforced.

Because this is a tech/dress rehearsal we do **not** have set release times. Don't make plans to be anywhere after rehearsal as your dancer may run their choreography more than one time. Stay with your dancer until we have excused them after they are finished running all their class pieces. Older students may be dropped off but please have them contact you when we no longer need them present at the theater.
